Lit2Go is a collaboration between the USF College of Education and the Florida Department of Education. Lit2Go is dedicated to supporting literacy by providing access to historically and culturally significant literature in K-12 schools.

Lit2Go includes novels, short stories, poems, and nursery rhymes published before 1922. All works are free and can be downloaded for incorporation into student projects, for classroom use, or for personal enjoyment.

This is an ongoing project, published both to iTunes U and to the web, and we love to receive feedback from teachers and students about how we can improve the Lit2Go collection. Please email your comments to [jlwelsh@usf.edu](mailto:jlwelsh@usf.edu).
