

Hitting Classroom Assessment Targets

Part 1

List one objective, goal, or standard that you are targeting in your classroom. (Type in the box, it will expand as you type.)

My target is:

What category is the primary achievement target?

- Knowledge
- Reasoning
- Performance
- Product
- Disposition

Which assessments might you use to measure this target? (Check all that apply.)

- Objective quizzes
- Student observation (anecdotal notes)
- Rubrics
- Surveys
- Essays

How will this assessment help your students to succeed?

My students will benefit from this assessment by:

How could you determine the content validity of this assessment?

To determine the content validity, I could:

Part II

List another (very different) objective, goal, or standard that you are targeting in your classroom. (Type in the box, it will expand as you type.)

My target is:

What category is the primary achievement target?

- Knowledge
- Reasoning
- Performance
- Product
- Disposition

Which assessments might you use to measure this target? (Check all that apply.)

- Objective quizzes
- Student observation (anecdotal notes)
- Rubrics
- Surveys
- Essays

How will this assessment help your students to succeed?

My students will benefit from this assessment by:

How could you determine the stability reliability of this assessment?

To determine the stability reliability, I could:
