

Luxury Hotel

Concepts:

Number sense, concepts, operations, and measurement

Sunshine State Standards:

MA.A.1.2

MA.B.1.2

Materials:

- Spreadsheet program
- Luxury Hotel Template
- Extension Worksheet

Student Arrangement:

Students work in pairs

Procedure:

1. Within an Olympic thematic unit have the students design a luxury hotel so the most important visitors have a place to stay
2. Provide the students the template and review all the guidelines to designing the property

Extension:

- Students can use the worksheet to discover how much it will cost to design their hotel.
- Students can write a paragraph describing their hotel using the reduced fractions
