1:250 000-scale metric
topographic-bathymetric map

- 1 X 2 DEGREE QUADRANGLE SHOWING
- Contours and elevations in meters
 - Highways, roads and other manmade structures
 - Water features
 - Woodland areas
 - Geographic names
 - Bathymetric contours in meters

Produced for the United States Geological Survey and the National Ocean Service. Bathymetric contours from soundings taken 1952-54 and other sources. Contour interval 1 meter. Elevation contours from 1:250,000-scale metric topographic maps. Bathymetric contours from soundings taken 1952-54 and other sources. Contour interval 1 meter. Elevation contours from 1:250,000-scale metric topographic maps. Bathymetric contours from soundings taken 1952-54 and other sources. Contour interval 1 meter. Elevation contours from 1:250,000-scale metric topographic maps.
